

GRAB THE OPPORTUNITY OF BEING A CERTIFIED PROJECT MANAGER

ENROLL TODAY FOR WORKSHOP ON

UNDERSTANDING & APPRECIATING PROJECT MANAGEMENT

LIVE ONLINE TRAINING
 DURATION: 4 DAYS (35 HRS.)

The need for effective and certified project managers is increasing day-by-day with companies observing a full-proof mechanism to deliver value to customers.

This course is designed to make participants better Project Managers and Team Members by exposing them to an integrated approach to Project Management. It is designed to develop the knowledge needed to manage projects effectively using predictive, agile and hybrid project management approaches.

Although this is a training course; the course is designed for provoking **application-oriented understanding** of Project Management as a philosophy and not for **BOOKISH understanding** of concepts.

WHO SHOULD ATTEND

Project Sponsors, Value Management Team Members, CIO / CTO / Vice Presidents, IT Heads / Senior IT Managers, Head / GM / AGM Projects, Senior Consultants, Program Managers, Project Managers, Project Leaders, Project Engineers, Project / Team Leads, PMO Members, Senior Management Officials, Business / Practice / Department Heads, Business Analysts, any professional aspiring to become a Project Manager etc. involved in planning and implementation of projects from all sectors and disciplines.
